Forklifts

Regardless of what you're moving or where you're moving it – a few boxes, pallets, large loads, indoors or out on the roughest job site – Berry Material Handling (BMH) has lift solutions for any size of commercial or industrial operation.

BMH specializes in new and used sales, rental and lease options on our full line of Hyster® and Yale® forklifts. With over 45 years of expertise, we are able to offer our customers a wealth of advice and information.

Yale INC.

Drexel® – Long load & narrow aisle
Bendi® – Narrow aisle & pivoting mast

Hyster & Yale - Narrow aisle and very narrow aisle forklifts

Marriott® – The world's most compact forklift

CombiLift® – Multi-directional, long load

Genie® - Scissor and boom lifts

Yale Forklifts – 2,500 - 36,000 lb. lift capacities; internal combustion, propane & electric; cushion & pneumatic

Various pallet trucks for productive horizontal transportation

Hyster Forklifts – 2,500 - 105,000 lb. lift capacities; internal combustion, propane & electric; cushion & pneumatic

Parts & Service

At Berry Material Handling, we're dedicated to taking care of our customers, even when they need us to service a brand we don't sell. In the words of our customers, we always strive to *go the extra mile* and to be there for you *anytime, anywhere*.

Parts – BMH averages a 96% fill rate off-the-shelf on hundreds of items. If it's not in stock, it can be in your hands in 24-hours in most cases.

Battery rejuvenation extends useful life.

Service – Your place or ours, BMH tailors maintenance and service programs to reduce costly breakdowns and downtime. Need a tire mounted on site? We're there. Handling routine maintenance yourself? We can help with that too.

BMH has a wall of forklift replacement tires and a mobile tire press for on-site repairs.

BMH supports your most valuable assets – your people. We conduct operator, safety and OSHA compliance training.

Connected Technology – Pre-shift checklists, OSHA compliance and real-time monitoring of key operating metrics optimize productivity and help catch problems before they arise – all from a mobile app.

BMH can put fast turn parts on consignment for immediate access & auto-replenishment.

Supply cabinets

Give us your space dimensions and BMH can layout your racking optimized for your space.

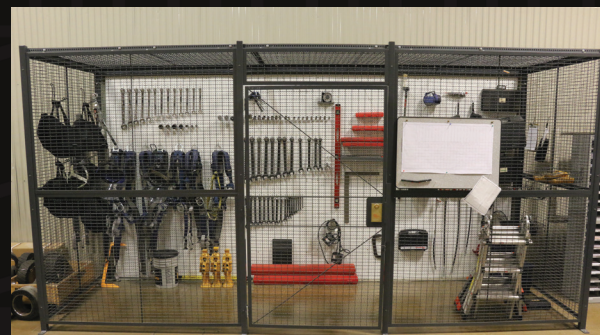

Parts retrieval systems

Warehouse & Manufacturing Solutions

From shipping to receiving, Berry Material Handling has you covered. We offer design and installation on a wide range of rack and shelving systems for storage in traditional and automated warehouses. BMH also has all the everyday shipping supplies you need to get the goods out the door.

BMH offers a full line of PPE, safety and ergonomic products, as well as consulting services to create work environments that are safe and productive. Protect your inventory and racking with guard rails, gates and visibility solutions.

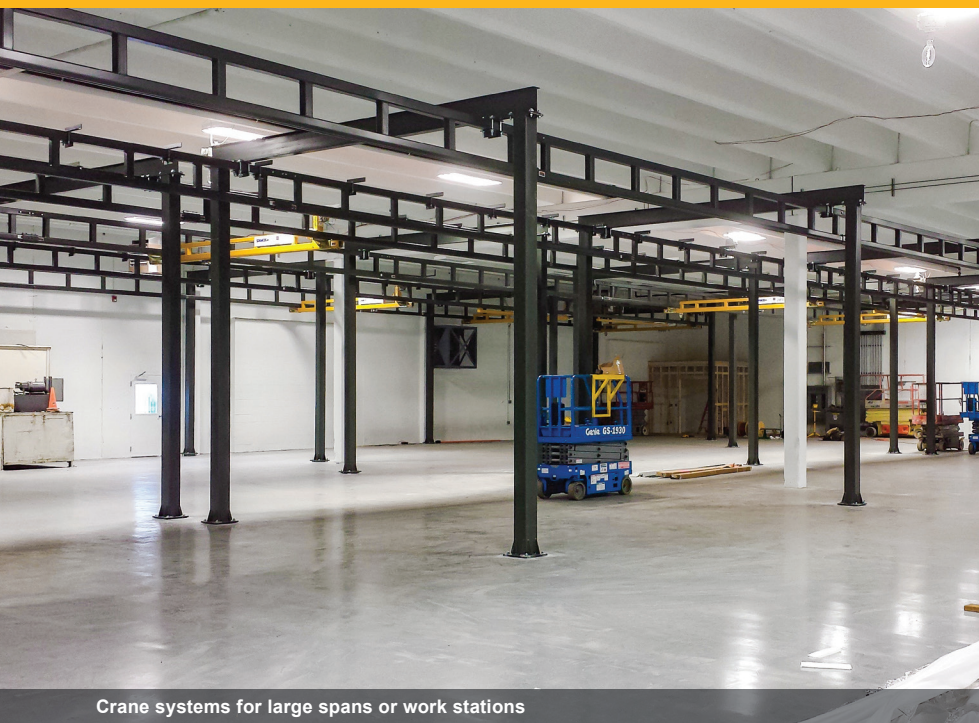

Wire cages, pallet rack enclosures and machine guarding for asset protection and safety.

Edge of dock & pit-mounted levelers, seals & restraints.

BMH can cover you on pallet banding, stretch wrap and other everyday shipping supplies.

Crane systems for large spans or work stations

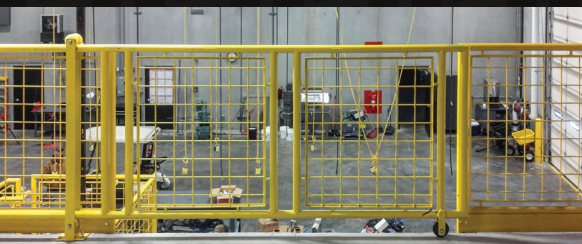

BMH has replacement casters and small wheels for carts, hand trucks or anything else that rolls.

Modular cabinets & drawers

BMH maintains the largest inventory in Kansas of Steel King racking systems and components.

Steel barriers, mezzanine safety & pallet gates, lifts

Access platforms and scissor lifts.

DESIGN. FAB. INSTALL.

We can do it all. Solving problems for our customers is our specialty!

Ergonomic platforms and tables

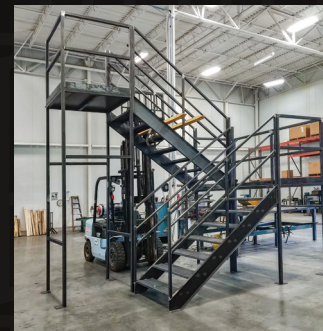

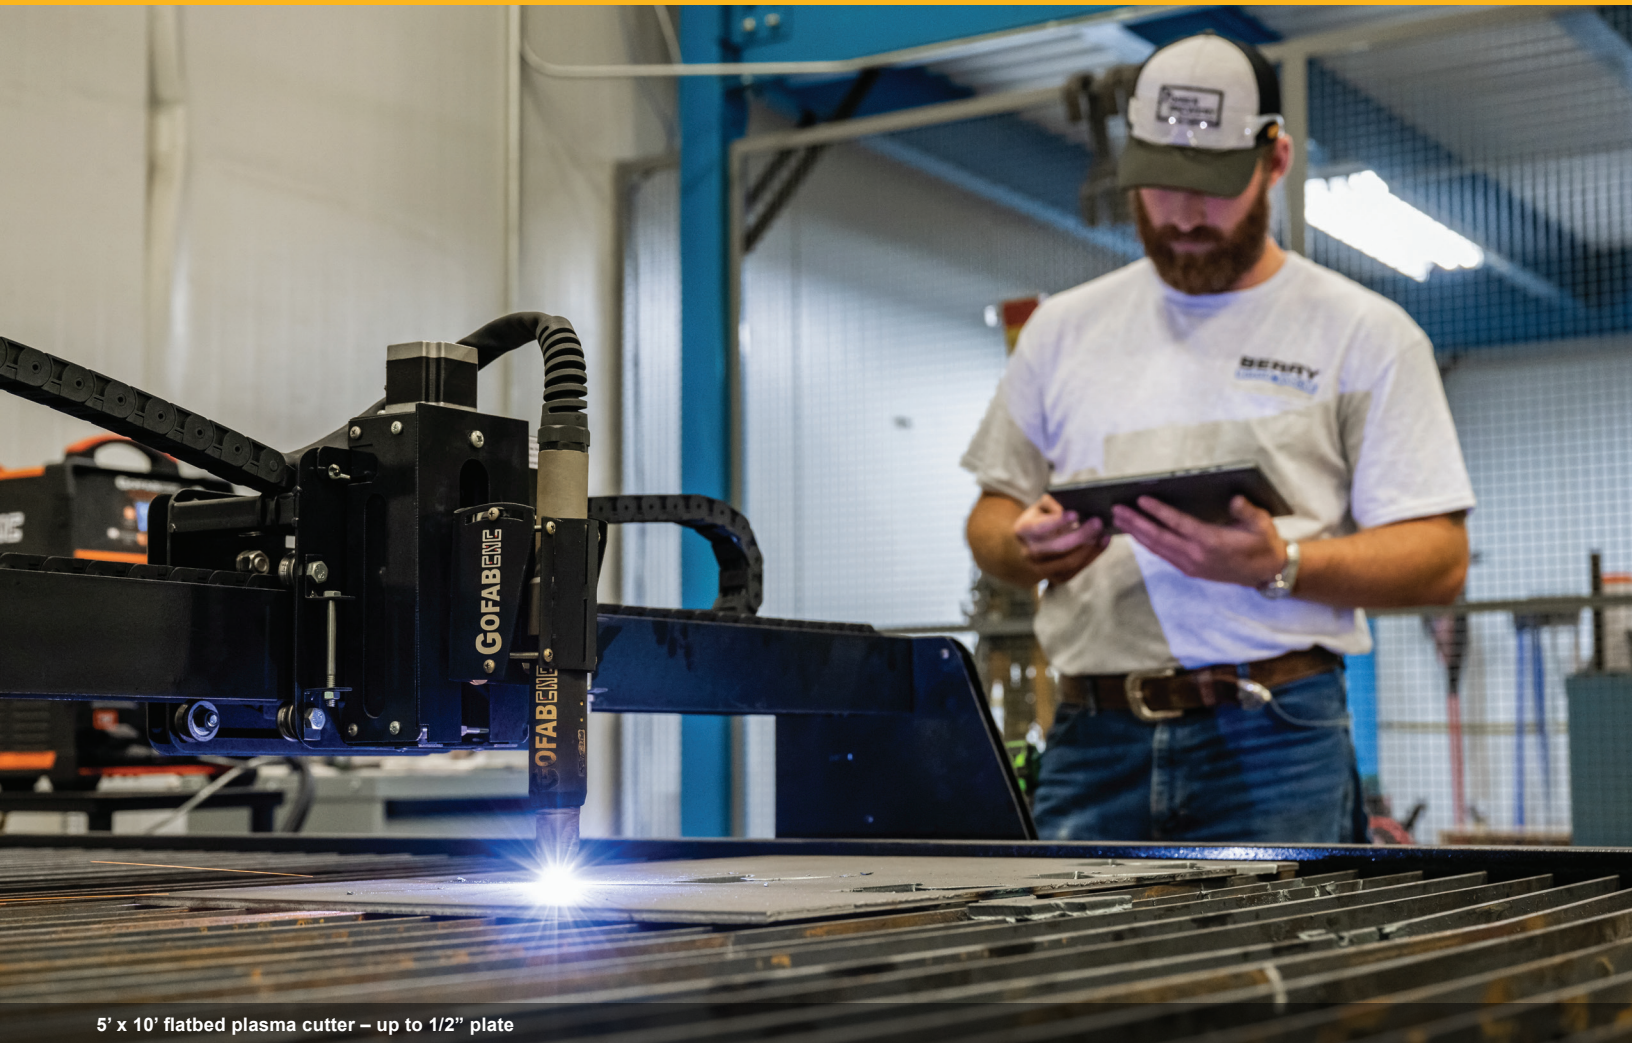

Custom Fabrication & Installation Services

If the solution can't come off-the-shelf, Berry Material Handling has design and fabrication capabilities for custom solutions. BMH also has an in-house team of expert installers for all warehouse fixtures and equipment we sell.

Modular and mobile plant offices – specification, layout and installation
